**Established in 2003, Florida Medical  
Prep has successfully trained more  
than 14,000 CNA's and still counting!**

We motivate and guide you  
with the use of a specific  
core curriculum designed  
to keep your attention and  
promote a fun & highly  
effective learning experience  
by increasing one's self-  
esteem and development.

Florida Medical Prep offers small class sizes so that  
you get the attention you need. Most classes have  
only 14-20 students.

We don't read you a book or show you videos.  
You will learn the latest techniques through our  
experienced instructors who specialize in the  
Florida CNA exam. They have the knowledge and  
experience it takes to get excellent results. All  
classroom tools, equipment, and supplies  
needed are provided by Florida Medical Prep.
